FIRST VISIT?

We have equipment such as rackets and birdies so you do not need to buy anything. Please do not leave the gym with them and try not to damage them. They are first come first serve, so it is suggested to bring your personal racket and dedicated badminton shoes for comfort.

You will need to sign a **liability waiver** before playing, located at the desk where the executives are sitting. We have four courts that rotate every 20 minutes and you can write your name down on the **sign up sheet**.
